Die GRASER Biere

Helles Lager Alk./Vol 4,9% 0,3 L 3,40 € 0,5 L 4,30 €

We use Bohemian aroma hops and soft brewing water for our Helles lager. This creates a particularly smooth and full-bodied beer with a pleasant bitterness and an almost creamy carbonation.

Franconian Pils Alk./Vol 5,1% 0,3 L 3,40 € 0,5 L 4,30 €

A beer considered the original ancestor of Pilsner styles. The hops for this spicy pale beer are lightly roasted before brewing, resulting in a pronounced bitterness and subtle roasted aromas.

Felsenkeller Beer Alk./Vol 5,2% 0,3 L 3,40 € 0,5 L 4,30 €

This beer matures without artificial cooling in our historic rock cellars. The steady aging process gives it a smoother, rounder, and malt-forward flavor.

Brown Beer (Braunbier) Alk./Vol 5,6% 0,3 L 3,40 € 0,5 L 4,30 €

A special mashing method from old Bamberg brewers gives this beer its distinctive character. The mash rests for an extended time, allowing more compounds to be extracted and creating rich, spicy flavors.
